

SERMON NOTES

Safety Tidbits

In the event that an imminent tornado forces us to seek shelter we have the Parlor as the only designated sheltering area. Unfortunately, it cannot hold everybody on a typical Sunday. Until the new building is complete, the other area we have with framing above a person would be laying on the floor under the pews. Parents with children in the nursery or class rooms, we know they are your most precious possession on this earth. Please know that the attendants and teachers will lead your children to the Parlor without your needing to retrieve them. Let us all pray we never faced with this predicament.

Donations for Operation Christmas Child Packing Parties

We continue to prepare for Operation Christmas Child Packing Parties for our youth and children that will be held in October. A goal has been set for the children and youth to pack a total of 135 shoeboxes. Church-wide collections will be held March through September with specific items collected each month.

April items: bandages, small cups, small packages of tissues and hand wipes

We need 135 of each item. Please bring the items to the church and put them in the tubs provided.

Your participation in this ministry is very important for it to be successful and will allow our children and youth an opportunity to serve through a "hands-on" activity. Later in the year individuals and families will have the opportunity to personally fill shoeboxes. It is our prayer that more children will have the joy of receiving a gift and an opportunity to hear the Gospel.
