

**SERMON NOTES**

**Safety Tidbits**

General Evacuation Procedure

Our default exterior evacuation gathering area will be the southwest parking lot. Other factors could present the need to gather someplace else outside or inside one of the buildings. Parents your children's teachers or attendants will escort them to the proper area for reuniting. We must all do what we can to aid those among us who will need assistance. The lighter we travel, the easier this will be, so please consider leaving unimportant items behind. Another point is if we are expecting first responders to arrive is to not hamper their access routes on the streets and parking lots by attempting to exit the premises in our vehicles. Let us all pray that we never face a situation that compels this response.

**Donations for Operation Christmas Child Packing Parties**

We continue to prepare for Operation Christmas Child Packing Parties for our youth and children that will be held in October. A goal has been set for the children and youth to pack a total of 135 shoeboxes. Church-wide collections will be held March through September with specific items collected each month.

**May items: small hairbrushes, combs, hair bows, bandannas, socks**

We need 135 of each item. Please bring the items to the church and put them in the tubs provided.

Your participation in this ministry is very important for it to be successful and will allow our children and youth an opportunity to serve through a "hands-on" activity. Later in the year individuals and families will have the opportunity to personally fill shoeboxes. It is our prayer that more children will have the joy of receiving a gift and an opportunity to hear the Gospel.
