

SERMON NOTES

Safety Tidbits

General Evacuation Procedure

Our default exterior evacuation gathering area will be the southwest parking lot. Other factors could present the need to gather someplace else outside or inside one of the buildings. Parents your children's teachers or attendants will escort them to the proper area for reuniting. We must all do what we can to aid those among us who will need assistance. The lighter we travel, the easier this will be, so please consider leaving unimportant items behind. Another point is if we are expecting first responders to arrive is to not hamper their access routes on the streets and parking lots by attempting to exit the premises in our vehicles. Let us all pray that we never face a situation that compels this response.
