

SERMON NOTES

Safety Tidbits

We have a new modification to our building that will help the personnel in the office monitor who else is in the building which is especially important when staff coverage is low.

During the work week if you were to enter the building through the Main Entrance you will find that all the interior doors serving that foyer are locked. Located to the right of the office window is a pad with a "doorbell" button, pushing it will notify office personnel of your presence. If office staff are away from their desks, they will be carrying a walkie-talkie to converse with you as you push and hold the "talk" button which is below the aforementioned button. Access will then be permitted through the brown double doors.

Donations for Operation Christmas Child Packing Parties

We continue to prepare for Operation Christmas Child Packing Parties for our youth and children that will be held in October. A goal has been set for the children and youth to pack a total of 135 shoeboxes. Church-wide collections will be held March through September with specific items collected each month.

June items: sunglasses, flashlights and gloves

We need 135 of each item. Please bring the items to the church and put them in the tubs provided.

Your participation in this ministry is very important for it to be successful and will allow our children and youth an opportunity to serve through a "hands-on" activity. Later in the year individuals and families will have the opportunity to personally fill shoeboxes. It is our prayer that more children will have the joy of receiving a gift and an opportunity to hear the Gospel.

Serving God together,

Operation Christmas Child at First Baptist Church Lamar
