

SERMON NOTES

Safety Tidbits

We have a new modification to our building that will help the personnel in the office monitor who else is in the building which is especially important when staff coverage is low.

During the work week if you were to enter the building through the Main Entrance you will find that all the interior doors serving that foyer are locked. Located to the right of the office window is a pad with a "doorbell" button, pushing it will notify office personnel of your presence. If office staff are away from their desks, they will be carrying a walkie-talkie to converse with you as you push and hold the "talk" button which is below the aforementioned button. Access will then be permitted through the brown double doors.

VBS Spark Studios-July 10th-14th

Get those creative juices flowing at Spark Studios where imagination is ignited and creativity is awakened. Whether kids are exploring their artistic side in the Bible Study Studio or Crafts Design Center, laying down a track at the Music Sound Stage, or bringing inventions to life at the Missions Workshop, they will learn, like King David, to use their talents to bring glory to God. They will discover that their creativity is a gift from the infinitely creative Creator who designed them for His glory.

God's creativity didn't stop in Genesis!

The Master Artist is working to redeem, reclaim, and transform us—His creation—to the original design He planned for us. We are His workmanship (Ephesians 2:10)—a masterpiece in process. So what are you waiting for? Spark your imagination and kick your creativity into high gear at Spark Studios.

Vacation Bible Schools begins at First Baptist Church (1301 E 6th St) on Sunday, July 10 and goes through Thursday, July 14. A meal will be served at 5:30 and VBS will go from 6:00 – 8:30 p.m. You can register online at www.fbclam.org. For more information, call the church office at 682.3538.

Please return background checks to office as soon as possible if

You plan to help with VBS.
