

**SERMON NOTES**

**Safety Tidbits**

Parents and parents to be this is mainly for you. Sexual abuse is a sensitive subject to talk about, but in todays world it is a main concern of most parents.

Proverbs 2:11-12 states: Wisdom will save you from the ways of wicked men, from men whose words are perverse, who leave the straight paths to walk in dark ways,

Our children need oversight, love and guidance to prevent them from becoming a victim of abuse. Troubling, according to the Dru Sjodin National Sex Offender Public Website ([www.nsopw.gov](http://www.nsopw.gov)) there are more registered offenders who live or work in our area than you may realize. At FBC, a background check is completed on every individual that works with children 17 years of age and below, so we as a church are doing our part to keep your children in a safe environment. Raising a child is your most important job on this earth. You are the first line of defense.
