

SERMON NOTES

Safety Tidbits

Wet Weather Safety Driving Tips

1. Thank God for the rain and ask for a shield of protection while on the road.
2. Check for proper tire inflation when they are cold.
3. Check tires for adequate tread depth. Using a quarter, insert Washington's head into a groove, if you can see above his head, it is probably time for replacements.
4. Avoid using cruise control on wet/slippery pavement, if you lose traction the cruise control will continue on at the set speed until cancelled, potentially taking you on a hazardous unwanted detour.
5. Slow down, giving yourself more distance and time to maneuver to avoid hazards and abrupt braking or turning in reaction to them.
6. When it is raining drive in the tracks left by the vehicle in front of you, taking advantage of them clearing some of the standing water present on the road surface.
7. Verify that all of the lights on your vehicle are operational, and then use them when driving.
8. Replace worn out/dried out wiper blades especially if they don't clear the windshield cleanly or leave streaks.
9. Now that you know how to drive in Wet Weather, PRAY FOR RAIN!!

To Know Christ and To Make Him Known

10:15 am Worship Service
Deacon & Wives Fellowship Hall

THANK YOU! THANK YOU! THANK YOU!
Thank you to our church family for your participation in Operation Christmas Child shoebox ministry. A total of 362 shoeboxes were filled by individuals and our youth and children during their Packing Parties. Each child who receives a shoebox will have an opportunity to hear about God and His love for them. Please continue to pray for these children. Thank you also for the volunteers that helped during Collection Week, as our church served as a drop-off site. There were 1290 shoeboxes dropped off, packed into shipping cartons and delivered to Joplin to begin their journey to children all over the world.

PRAYER WARRIORS
Dec. gifts are due in
Church office by
Wed. Dec. 7th
YAH CRAFTERS
