

SERMON NOTES

Safety Tidbits

Before Thanksgiving I was witness to an action by another person, who later admitted they had compromised their personal safety for the sake of convenience.

Paraphrasing their confession is the following:

"When we become complacent in our thinking that there is nothing to fear and safety measures can be bypassed for convenience or we get in a hurry and choose not to practice them we may put ourselves and/or others in an unfavorable position."

The Holiday season has arrived with the hustle and bustle it brings with it. Obligations and distractions and will come upon us. Please stay vigilant in your actions and observations concerning your personal and family's safety.

May we all have a safe joyous Merry Christmas as we celebrate Jesus our savior becoming Emanuel.
