

SERMON NOTES

Safety Tidbits

Winter time home safety tips

1. Check your smoke and carbon monoxide detectors for proper operation.
2. Check all air filters once a month and replace as needed.
3. Close all crawl space vents.
4. Have any chimneys or vents on heating equipment inspected and cleaned.
5. Insulate all non-frost proof exterior water faucets and store all garden hoses.
6. Keep a clear area around heating equipment and flammables like candles.
7. Consider obtaining a backup heating source.
8. Purchase or compile a "Bug Out" kit of essential items (food, clothing, medicines) you would need to survive for a 72-hour isolation/transition period and don't forget any pets.
9. During freezing temperatures leave faucets running with a trickle of water, especially if you have concerns over night and during absences.
10. Spread sand or kitty litter on icy walk ways.

To Know Christ and To Make Him Known
