

SERMON NOTES

Safety Tidbit
 Tornado season is quickly approaching. May we first seek Divine protection from Heaven above for all of our endeavors. We currently have one area to shelter in the Parlor. Unfortunately, it will not accommodate the numbers of attendees we have each Sunday. When fortified shelter, such as the Parlor area, are not available experts advise using a room without windows or exterior doors such as restrooms and closets. They also say to avoid large open areas such as the Fellowship Hall. Parents with children in the nursery or class rooms, we know they are your most precious possession(s) on this earth. Please know that the attendants and teachers will lead your child(ren) to the Parlor. The other option that we have ,with framing above a person, would be laying on the floor under the pews, covering your head with your arms and hands.

A list of monthly donation items is available to help plan, prepare and purchase the needed items through the year.

We need 150 of each item. Please bring the items to the church and put them in the tubs provided.
