

SERMON NOTES

SAFETY TIDBIT
General Emergency Evacuation:
 Our default exterior evacuation gathering area, for events other than storms, is the southwest parking lot. Other factors could present the need to gather someplace else outside or inside one of the buildings. Parents, your children's teachers or attendants will escort them to the proper area for reuniting. We must all do what we can to aid those among us who will need assistance in navigating from point 'A' to point 'B'. The lighter we travel, the easier it will be for everybody to move so please consider leaving nonessential items behind. If the situation requires first responders to aid us, please do not hamper their access routes on the surrounding streets and parking lots by attempting to exit the church grounds in your vehicles. Let us all pray that we never face a situation that compels this response.
