

SERMON NOTES

Safety Tips

1. If you can hear thunder, you are in danger, lightning can travel as far as 10 miles from the area with rain.
2. If you are in an open area such as a park, athletic fields, open water, pond or river, start praying and leave immediately to seek cover.

Avoid the Following:

- A. Being the tallest object in the area where you are.
- B. Metal objects such as fencing, wires and utility poles.
- C. Sheltering in areas with concrete surfaces (the rebar within it can conduct electricity) such as a garage and patios.

Shelter preferably in a fully enclosed substantial building, a hard top fully enclosed vehicle with the windows closed or if caught outside an area of dense small trees surrounded by taller trees.

Donations for Operation Christmas Child Packing Parties

We continue to prepare for Operation Christmas Child Packing Parties for our children and youth that will be held in October. Your participation in this ministry is very important for it to be successful and will allow our children and youth an opportunity to serve through a "hands-on" activity.

A goal has been set for the children and youth to pack a total of 150 shoeboxes. We are still needing some items (see list below). Please bring the items to the church and put them in the tubs provided.

If you would prefer to make a donation, we will do the shopping for you.

September items: gloves, box of bandages, hairbrushes, small toys and colored pencils

On Sunday, October 1 shoeboxes individuals and families will be available so you can have the opportunity to personally fill shoeboxes. It is our prayer that more children will have the joy of receiving a gift and an opportunity to hear the Gospel.
