**Safety Tips**

As we draw near to the end of 2023, we Christians look forward to two major Holidays. Thanksgiving when we acknowledge the gifts given to us and miracles performed for us by the God of all that is good and Christmas when the Light of the World became Emmanuel! But in the land given to Jacob, pure Evil has arisen with the goal of driving God's chosen into the sea! In the Bible God has revealed the end to us. The purveyors of this hatred shout "Death to Israel" and " Death to America" then give a timeline of "First the Saturday people, then the Sunday people". The odds are great that their operatives are already on U.S. soil thanks to the lax border policy of our federal government, which we cannot rely on or trust! But we know the Rock in which to place our trust and faith in as we pray for our brothers and sisters in Israel and the rest of the civilized world.
