

SERMON NOTES

Safety Tips

Electrical Safety & fire prevention

1. Regularly check all electrical devices and appliances to be sure they are functioning properly. Overheating, sparks, smoking, failing to operate and electrical shocks all indicate a problem.
2. Inspect all cords and replace any that are frayed, dried out or damaged.
3. Turn off and unplug items, especially heat producing units like space heaters and hot plates when not in use.
4. When not in use unplug chargers, i.e., cell phones and hand tools.
5. Do not alter three prong plugs or use adapters in two-slotted outlets.
6. Do not overload circuits. Is a breaker tripping quite often? It is either worn out or the circuit is overloaded.
7. If you need to use an extension cord, verify it is rated for your desired use.

Do not use the area in front of electrical main panels for storage.

To Know Christ and To Make Him Known

First Baptist Church- Women's Spring Bible Study "When You Pray"

A Study of Six Prayers in the Bible

By: Lauren Chandler, Jackie Hill Perry, Jen Wilkin,
Jennifer Rothschild, Jada Edwards, Kristi McLellan

Prayer is a gift, but it can also be challenging. Do you sometimes struggle with what to say or how to express yourself? Thankfully, in God's Word there are many voices that teach us how to pray. Join us for this 7-session study where we will study prayers in the Bible that can inspire our own prayers, strengthen our faith and help us unite our heart to Jesus.

There are two opportunities to participate in this study,
Wednesday evenings at 6:30 pm or
Thursday afternoons at 1:30 pm. There is still time to join
This study. Books cost \$12.
