**Safety Tidbit**

Tornado season is quickly approaching. May we first seek Divine protection from Heaven above for all us and others. We now have two areas to shelter in. The nearest to the Sanctuary is the Parlor and Library. The other area which can accommodate more people and is designed as a storm shelter, is in the FLOC building. At this time there are not any "storm shelter" signs posted, however all of the doors leading to shelter areas in the new building have 3 dead bolt locks on them and are on the ground floor in front of anyone who walks directly south into the FLOC building. When fortified shelters are not available experts advise using a ground level room without windows or exterior doors such as restrooms and closets while avoiding large open areas such as the Fellowship Hall.
