

SERMON NOTES

Safety Tidbit

This coming Thursday May 2nd is the National Day of Prayer! Our country has a Constitutional Republic form of government. Historians tell us that all but a small minority were Christians. Many today say the country was founded with a secular form of government by Diest & Atheist. Yet research shows that the number 1 source or reference for the constitution by far was the Holy Bible! The first piece of major legislation approved by the new government 'The Northwest Ordinance' (the upper Midwest today) funded missionaries and early congresses also approved the importation of bibles from Europe. With all the attacks on our society we are experiencing today we need to remember where we came from and pray every day to God Almighty for a return.
