VBS Magnified July 6th-10th

Mon. June 23rd **Decorating Work Day** 9:00 am

The decorations have already been made. We need people to help put them into place. The church will take on the theme for this year "Magnified"!

Hold in your hand a tiny acorn that will someday become a giant oak. Sniff a wildflower and notice the delicate curl of a single petal. Observe the intricate design of a butterfly's wings as it floats effortlessly in the sky and settles on your finger. Our amazing God is not only the Creator of all things, but He also cares about His creation, right down to the tiniest detail. And the Bible tells us that people are the most significant part of that creation. God created you and knows every detail about you-right down to the design of your fingerprints and the number of hairs on your head. God cares about everything that happens to you.
